Executive Summary

The Sheriff's Office Human Resources perform the staffing and personnel functions for its approximately 800 positions and employees.

Program Summary

This program conducts staffing-related functions including: recruitment, position tracking, promotional assessment centers, interviews, fingerprinting, documentation, arrangements for psychological testing, hiring, photography and preparation of identification cards, records maintenance (including compliance with HIPAA rules regarding medical files), termination activities, conduct of labor-management interaction, affirmative action, leave administration including the Family Medical Leave Act, the Oregon Family Leave Act, military leave, Workers' Compensation and administrative leave. This program is essential to support all of the Sheriff's Office's staffing functions. The Sheriff's Office has three unions that represent its members, is a 24/7 workplace, conducts thorough and in-depth backgrounds of all employees and maintains a high level of staff security. These conditions require HR to function in a highly specialized environment.

This comes in an environment of increased FMLA/OFLA usage and where HR also continues to address inappropriate sick time usage. The number of paid parental leave requests have increased substantially.
