Program Description

MCSO’s Business Services Division (BSD) oversees five professional units whose work is to support the Law Enforcement Division, Corrections Facilities/Services Divisions, and our Executive Office. BSD strives to make strategic decisions to help position the Sheriff’s office for success in the community. We work to help anchor Equity and Inclusion into our culture, ensure fiscal responsibility and transparency in the work we do with both internal staff and the diverse communities in which we serve, and continually look for efficiencies across the agency.

BSD includes a diverse mix of work units whose overarching mission is to inform, evaluate, and support the Sheriff’s office as we strive to continuously improve our service to the community. BSD oversees the following Units: Fiscal - responsible for professional stewardship of all funds allocated to MCSO; Planning and Research - collects, analyzes, and reports key data to enable data-driven, strategic decision making; Criminal Justice Information Systems (CJIS) - provides technology support for 3,000+ users across a wide range of platforms; Training - develops and delivers critical curricula to ensure compliance and certification requirements are met for sworn staff with a growing focus on providing de-escalation skills, professional development, and Equity training for all staff; Human Resources – supports all MCSO employees from recruitment to hiring and throughout their careers.

BSD’s portfolio of work brings diverse challenges. The Sheriff’s Corrections Division is critically understaffed, and consistent reductions in State and County funding have challenged MCSO to do more with less. These constraints are particularly impactful to support functions which lack the mandate of direct service functions. Even still, BSD continues to strive to onboard top talent to provide the very best support to MCSO Corrections and Law Enforcement personnel.

- The Business Services Division Administration Program:
- Provides leadership and direction to all programs and units in the MCSO Business Services Division
 - Ensures the personnel and training needs of the Division are met

Performance Measures

Measure Type	Performance Measure	FY24 Actual	FY25 Budgeted	FY25 Estimate	FY26 Target
Output	Number of new hires in Division	N/A	6	6	10
Output	Percent of performance measures met in Division	NA	90%	90%	90%

Performance Measures Descriptions

The “percent of performance measures met in Division” measures the proportion performance measures in BSD in which prior-year actuals met or outperformed their estimates. “Number of new hires in Division” was a new performance measure for FY25
