Program Summary

The Fiscal Unit gathers financial data, enters and processes transactions through the County financial system, conducts analysis, and reports financial information to the management team so that strategic operational decisions can be made. The Fiscal Unit makes certain that funds are available for running the agency's operating programs and documents their use by providing key financial services including: budget development, modification and monitoring; fiscal projections; accounts receivable and payable; the Inmate Accounting System; contract development and monitoring; procurement; grant accounting; travel and training processing; as well as monitoring County internal service reimbursements.

The Fiscal Unit provides crucial monthly financial reports to management and information for the County's annual audit. Oregon budget law, County financial policies, County administrative procedures and internal controls are implemented and administered by the Fiscal Unit.
