Executive Summary

The Logistics Unit manages the Sheriff's Office fleet operations, which includes procurement and installation of electronic technology for fleet vehicles. This unit also oversees maintenance and building modifications for the Sheriff's Office. Additional responsibilities are equipping personnel, processing evidence seized, and controlling agency communication needs.

Program Summary

The Logistics Fleet Section is responsible for the acquisition, repair, and maintenance of approximately 261 vehicles, utilizing a variety of vendors including coordination with the County Shops. The Logistics' Evidence Section is responsible for the safe keeping of evidence and the public's property and then returning property to the rightful owner; the unit returns approximately \$25,000 in unclaimed cash to the General Fund annually. Along with the Fleet and Property duties, Logistics ensures that equipment, supplies and uniform needs are met for Public Safety personnel so they can then perform their duties and tasks at an optimal level. They also coordinate radio template upgrades and activation and deletion of Mobile Data Computers and Police radios with COMNET, a necessary part of the emergency communications within the Portland Metro area. Logistics provides integral support for both Law Enforcement and Corrections, handling critical functions such as fleet, radio, and evidence handling.

There are two primary customers served by the Logistics Unit – 1) internally our partner Law Enforcement and Governmental customers for whom we provide services such as vehicle logistics and uniform/equipment acquisition, and 2) the General Public, when property and physical evidence is returned to its owners. Members of the public can contact the Evidence Technicians in order to coordinate the return of their seized property; a wide representation of the public is served by this function. This provides an important service to the public to ensure that their property, once seized or found by Law Enforcement, is returned in a well-coordinated, documented, professional, and respectful manner.

Logistics Unit policies and directives from the County and MCSO management are created with the commitment to, and a focus on, Equity and Inclusion. The Logistics Unit takes this commitment very seriously and strives to serve all members of the public equitably and efficiently within the Unit's scope of duties.
