Executive Summary

MCSO's Human Resources Unit (HR) is committed to facilitating a culture for our members where they feel supported and valued during the hiring process, throughout onboarding, and during the duration of their career with the Sheriff's Office. HR is responsible for the recruitment strategies and hiring of all staff, coordinating with our represented unions on union/collective bargaining issues, handling candidate background investigations, and acting as a resource for staff members on anything related to their employment status. Fostering a strong, stable, flourishing workforce enables our agency to provide exemplary public safety service for a safe and thriving community for everyone.

Program Description

MCSO's Human Resources Unit leads the recruitment, hiring, and onboarding of all agency employees, and remains heavily involved in the experience of those employees throughout their careers. MCSO continues to be impacted by staffing shortages. We have seen a significant increase in PERS eligible sworn staff retiring despite not being eligible for the County's half medical for retirees, which historically has been the goal of many sworn staff. Legislative mandates and community expectations have also added to the complexity of hiring, with increasingly diverse skillsets needed in today's public safety environment. Continued high vacancy rates have impacts not only on current staff, but also long-term bargaining implications and costs for labor contracts.

We continue to make strides in shortening our recruitment processes by adopting new technologies and, where possible, automating components of our process. Despite limited staff time we participate in many recruitment fairs and community events, and work to identify more diversified opportunities for outreach, engagement, and support. We are also working with the Sheriff's Office Communications Unit to execute a strategic marketing plan that helps grow and diversify our applicant pool. These efforts, in addition to addressing our staffing crisis, are designed to grow our presence and welcome under-represented communities whose voices and leadership are needed. This is a pivotal piece of our evolving outreach efforts to become a culturally responsive agency that engenders safety, trust, and belonging.
