**Executive Summary**

The Communications Unit is the bridge that connects people in Multnomah County to the Sheriff's Office, universally engaging members, residents, communities, the intergovernmental arena and the media alike with timely and accurate information. The Communications Team works professionally and effectively with the media and furthers transparency by facilitating public records requests. The Unit is responsive to a large volume of requests, and a wide breadth of issues, associated regulations and the fast pace at which information flows.

**Program Summary**

The Sheriff's Office desires to proactively promote understanding among all audiences and tell the public safety story. The Communications Unit covers all aspects of Sheriff Office operations – corrections, law enforcement, and business services - and works with appropriate members throughout the Agency to craft comprehensive and strategic messaging. The Unit thinks creatively and works diligently to develop supporting media materials (e.g. photography, graphics, etc.), before threading together monthly campaigns. The Unit shares information through press releases, articles, social media (Twitter, Facebook), the agency website, podcasts and videos.

The Communications Unit is also responsible for facilitating the Agency's public presence. The Unit has organized events for the community, created presentations for the Board of Commissioner Meetings, and produced statements and op-eds for the Sheriff about community priorities.
