The Corrections Facilities Division administration provides leadership to Corrections Facilities operations in MCSO detention facilities. It is responsible for developing and guiding implementation of Sheriff's policies and directives in MCSO Corrections Facilities by operational managers and staff supervising Adults in Custody daily. The Corrections Facilities administration also oversees and determines allocations of resources and personnel throughout the jail system to maintain safe and secure operations for staff and Adults in Custody in addition to ensuring Adults in Custody have access to services while in our care and custody.

## **Program Description**

As policies and directives are developed or modified, the Corrections Division Administration works to integrate these into corrections facility operations, providing guidance and direction to operational managers. Corrections Facilities Administration meets with labor leadership to address guestions and operational challenges as policies and procedures are implemented into operations. Information collected from Adults in Custody is considered as part of the enactment process to address concerns and ensure there are no disparities in application and address gaps if identified. The Corrections Facilities Division offers support to the citizens of Multhomah County by providing safe and considerate processing of arrestees and constitutionally sound supervision of adults in custody and sentenced offenders. The Corrections Facilities Division is comprised of individuals from various ethnicities, age and cultural backgrounds, leading to a racially diverse team with various skills and problem-solving abilities to serve our Adults in Custody. The Corrections Facilities Admin develops and implements policies to ensure adults in custody have fair and equitable access to treatment and opportunity to address their needs while in custody in a safe environment and encouraging engagement in their care. The Division works collaboratively with the Department of Community Justice and other criminal justice partners to ensure the corrections continuum of services are administered with focus on improving inequities in the corrections system to improve outcomes for populations disproportionately affected by interaction with the criminal justice system. The Corrections Facilities Administration will continue to work closely with Multnomah County Corrections Health and Public Health as our operations evolve in response to the COVID19 pandemic and other infectious disease concerns arise which impact facility capacity and processes. The County and Sheriff's Office recognizes the importance of access to communicate with loved ones while an adult is in custody with the Sheriff's Office. This offer includes funding to provide all adults in custody with two phone calls per week at no cost to them. By providing free access to phone calls for adults in our custody, MCSO ensures those experiencing economic hardship are not adversely impacted by the cost of phone services.
