Program Description

This offer is for the operation of 96 individual cells at the Multnomah County Detention Center, located on the 7th floor of the facility, and supports the staff and resources necessary to provide supervision, safety, and security for those housed in these units on a 24/7 basis. Deputies provide support for the access to programs, medical, religious and professional services that the Adults In Custody require daily.

The 7th floor of the Multnomah County Detention Center (MCDC) is a housing area in this maximum security facility. The floor contains a control center and four housing modules as well as some program space. The 7A and 7D modules have 32 individual cells each while the 7B and 7C modules have 16 each. The total floor capacity for the 7th floor is 96 cells.

Working with partners in Programs, Corrections Health and Mental Health, deputies facilitate access to services provided for the Adults In Custody population. Examples of services provided may include parenting classes, AA and NA and various educational programs to include GED attainment. A portion of this offer allows for Adults In Custody recreation, supervision and facility escorts.

The program's mission is to ensure Adults In Custody are treated with dignity and respect during a difficult time as they work through court processes or are serving a sentence. Staff work to provide opportunities for all Adults In Custody to have fair access to treatment and opportunity to address their needs while in custody in a safe environment and encouraging engagement in their care. Suicide prevention procedures are reviewed and updated. The Prison Rape Elimination Act is strictly enforced, claims are investigated and prosecution is sought when violations are reported.

Most of these housing units are currently integrated as part of our classification housing for incoming arrestees who remain in our custody for observation purposes prior to movement to longer term housing options.

- The MCDC 7th Floor Program:
- Provides safe and secure housing for Adults In Custody
 - Facilities access to medical and mental health services for Adults In Custody
 - Provides safe and secure transport in and out of custodial housing units
