

Division: Corrections Facilities Division

Program Characteristics:

Program Description

This offer is for the operation of 96 individual cells at the Multnomah County Detention Center, located on the 7th floor of the facility, and supports the staff and resources necessary to provide supervision, safety, and security for those housed in these units on a 24/7 basis. Deputies provide support for the access to programming, medical, religious and professional services Adults In Custody require daily.

The 7th floor of the Multnomah County Detention Center (MCDC) contains a control center and four housing modules as well as some program space. The 7A and 7D modules have 32 individual cells each while the 7B and 7C modules have 16 each. Working with partners in MCSO Programs, Corrections Health, and Mental Health, deputies facilitate access to services provided for the Adults In Custody population. Examples of services provided may include parenting classes, Alcoholics Anonymous, Narcotics Anonymous, and various educational programs that include General Educational Development (GED) attainment.

The program's mission is to ensure Adults In Custody are treated with dignity and respect during a difficult time as they work through court processes or are serving a sentence. Staff work to provide opportunities for all Adults In Custody to have fair access to treatment and opportunity to address their individual needs while in custody in a safe environment and encouraging engagement in their care. Suicide prevention procedures are reviewed and updated. The Prison Rape Elimination Act is strictly enforced, claims are investigated, and prosecution is sought when violations are reported.

The MCDC 7th Floor Program:

- Provides safe and secure housing for Adults In Custody
