Executive Summary

This offer is for the operation of 118 general use beds at the Multnomah County Inverness Jail (MCIJ) and one additional Escort Deputy to assist with facility operations. Dorms 6 and 7 each house 59 adults in custody. MCIJ is made up primarily of open dormitory style housing units. The MCIJ dorms are used to appropriately house adults in custody to ensure safe, efficient and equitable operation of the jail system. Open dorm housing is structured to fit the needs of those in custody who do not require a more restrictive level of confinement.

Program Summary

This offer funds Dorms 6 and 7. Each dorm houses 59 individuals. Operations, administration, support activities and other jail services, such as medical clinic, kitchen, Escort Deputies and transports supporting these dorms are included in this offer.

Dorm 6 is currently utilized to house individuals with mental health needs who have been assessed by Corrections Health mental health counselors and determined they would benefit from open dorm housing. The housing unit deputy shares information with mental health regarding individual care needs in the dorm.

Dorm 7 is currently utilized to house facility workers who work within the facility. These workers are assigned to a variety of work assignments in the facility including kitchen, cleaning and laundry details within the facility. Workers have opportunity to learn job skills and obtain food handlers certification in kitchen assignments.

The Inverness Jail is a medium security, direct supervision, dormitory style facility. The design and population of Inverness Jail offer the greatest opportunities for programs, education and work opportunities for those in custody. Adults in custody are afforded opportunities to exercise their faith while housed at MCIJ, to include offering religious diets and available faith related items materials. Language interpreter services and ADA accommodations are available and provided to meet individual needs. MCSO strives to ensure everyone in our care is afforded the opportunity for medical, mental health and emotional support.

The program's mission is to ensure that Adults in Custody are treated with dignity and respect during a difficult time as they work through court processes, serve a sentence or a sanction. Staff work to provide opportunities for all adults in custody to have fair and equitable access to a variety of programs and services. Additionally, individuals are provided opportunities to actively engage in addressing their individual needs while in custody in a safe, encouraging and engaging environment.
