**Program Characteristics:** In Target

**Executive Summary**

This program offer is for the operation of Dorms 8 and 9, which provides for 100 general use beds at the Multnomah County Inverness Jail (MCIJ) and one Escort Deputy. Additionally, this offer funds one Escort Deputy to assist with facility operations. MCIJ is made up primarily of open dormitory style housing units. The MCIJ dorms are used to appropriately house adults in custody to ensure safe, efficient and equitable operation of the jail system. Open dorm housing is the least restrictive for Adults in Custody, providing the most access to programs and activities to help address individual needs. Deputies facilitate access to programs, medical, religious and professional services adults in custody require daily while providing safety and security supervision and direction in the dorms.

**Program Description**

Dorm 8 (50 beds) is currently designated as Protective Custody (PC) dormitory housing. PC offenders eligible for open dorm housing now have the opportunity to move from the Multnomah County Detention Center (MCDC) to MCIJ when appropriate. This move has allowed PC individuals more equitable access to programs and activities in addition to increased walk periods as part of least restrictive housing goals for those incarcerated.

Dorm 9 (50 beds) is currently utilized to house facility workers who work within the facility (Inside Workers) and individuals who are eligible to participate in work opportunities and job training outside of the secure confines of the facility (Outside Workers). All worker positions are voluntary and include a variety of work opportunities both inside the facility and outside the facility, including facility cleaning and sanitation, meal distribution, painting and other maintenance tasks. All workers have the opportunity to learn job skills and are supported by the Pathways to Employment Program (PEP) which assists interested parties with employment readiness and work opportunities upon release. Additionally, Workers have the opportunity to participate in an Aramark (Food Services Provider) training program which provides for a higher level of food services/kitchen management certification and scholarship opportunities for both the adult in custody and their family members. Outside work crews serve in the community assisting with refuse removal to support neighborhood livability efforts, in addition to facility landscaping. Offenders learn job and life skills while spending time giving back to their community. Those individuals who are eligible for Work Time credits (established by the sentencing authority) are able to reduce their time in custody.

The program’s mission is to ensure that adults in custody are treated with dignity and respect during a difficult time as they work through court processes, serve a sentence or a sanction. Staff work to provide opportunities for all adults in custody to have fair and equitable access to a variety of programs and services.
