Program Description

This offer funds Dorms 6 and 7. Each dorm houses 50 individuals. Operations, administration, support activities and other jail services, such as medical clinic, kitchen, Escort Deputies and transports supporting these dorms are included in this offer.

Dorm 6 is currently utilized to house individuals with mental health needs. These individuals have been assessed by Corrections Health mental health professionals, who have determined they would benefit from open dorm housing. The housing unit deputy shares information with mental health staff regarding individual care needs in the dorm.

Dorm 7 is currently utilized to house mixed classification female Adults In Custody allowing for more equitable access to programming opportunities and increased walk periods as part of least restrictive housing goals for those incarcerated.

The Inverness Jail is a medium security, direct supervision, dormitory style facility. The design and population of Inverness Jail offer the greatest prospects for programs, education and work opportunities for those in custody. Adults In Custody are afforded opportunities to exercise their faith while housed at MCIJ, to include offering religious diets and available faith related items and materials. Language interpreter services and ADA accommodations are available and provided to meet individual needs. MCSO strives to ensure everyone in our care has access to medical, mental health and emotional support while in custody.

The program's mission is to ensure that Adults In Custody are treated with dignity and respect during a difficult time as they work through court processes, serve a sentence or a sanction. Staff work to provide opportunities for all Adults In Custody to have fair and equitable access to a variety of programs and services. Additionally, individuals are provided opportunities to actively engage in addressing their individual needs while in custody in a safe, encouraging and engaging environment.

The MCIJ Dorms 6, & 7 Program:

- Provides safe and secure housing for Adults In Custody
- Facilities access to medical and mental health services for Adults In Custody
- Provides safe and secure transport in and out of custodial housing units
