Program Summary

This program offer is for the operation of 138 beds at the Multnomah County Inverness Jail (MCIJ). Dorm 14 houses 65 persons in single cells and Dorm 15 houses 73 individuals in single cells. Single cell dorm housing is utilized for offenders requiring a higher level of control and supervision. These dorms offer a more controlled, single cell environment which provides for enhanced safety and security. Adults in custody in these units are regularly reviewed by the MCSO Classification unit for eligibility to transition to open dorm housing, our least restrictive housing available, while in custody.

The Inverness Jail is a medium security, primarily direct supervision, dormitory style facility. In addition to the open dorm style housing units, there are several single cell housing units. The design and population of Inverness Jail offer the greatest opportunities for programs, education and work opportunities for those in custody. Adults in custody are afforded opportunities to exercise their faith while housed at MCIJ, to include offering religious diets and available faith related items and materials. Language interpreter services and ADA accommodations are available and provided to meet individual needs. MCSO strives to ensure everyone in our care has access to medical, mental health and emotional support while in custody.

The program's mission is to ensure that adults in custody are treated with dignity and respect during a difficult time as they work through court processes, serve a sentence or a sanction. Staff work to provide opportunities for all adults in custody to have fair and equitable access to a variety of programs and services. Additionally, individuals are provided opportunities to actively engage in addressing their individual needs while in custody in a safe, encouraging and engaging environment. Funding for MCIJ and the Multnomah County Detention Center (MCDC) aid the Sheriff in managing the incarcerated population and reduces the potential for emergency releases.
