

**Program #60330E - Backfill MCIJ SB1145** FY 2025 Department Requested

**Department:** Sheriff **Program Contact:** Kurtiss Morrison  
**Program Offer Type:** New Request **Program Offer Stage:** Department Requested  
**Related Programs:**  
**Program Characteristics:** Backfill State/Federal/Grant, Out of Target

**Executive Summary**

This offer requests general fund backfill to offset the loss of State funding through Senate Bill 1145. SB1145 funds County community corrections functions, including a significant number of jail beds.

**Program Description**

Currently, OTO funds are covering the reduction in Senate Bill 1145 dollars that were previously allocated to Multnomah County for a significant portion of corrections beds. Utilizing ongoing general fund dollars to restore the volatile SB1145 bi-annual budget will stabilize the funding for MCSO's corrections facilities division. Any reduction to County jail beds would inevitably lead to emergency population releases. These crisis releases do not allow for timely transition resources and may result in negative outcomes for AICs and the community.

MCSO's number one priority is running a safe and supportive corrections system, including equitable housing options for all populations. Reductions would severely limit our ability to provide least restrictive housing units in an equitable way for women, individuals with behavioral health needs, and those in protective custody. Impacts would include reducing AIC's access to regular outdoor recreation which is proven to have negative effects on a person's mental wellbeing.

In the absence of backfill, MCSO would realize elimination of 1.0 FTE Records Technician, 2.0 FTE Corrections Counselors, 17.38 FTE Corrections Deputies, and 215 jail beds.

**Performance Measures**

Measure Type	Performance Measure	FY23 Actual	FY24 Budgeted	FY24 Estimate	FY25 Target
Output	Average daily inmate population MCIJ total.	520	550	546	575
Outcome	Number of inmate and staff assaults MCIJ.	56	60	65	75
