**Program Characteristics:**

**Program Description**

The East Control center provides ongoing direct and video surveillance of the east end of MCIJ, the kitchen work areas and facility perimeter. In addition, the deputy monitors and serves as the primary radio communications control center for the facility and associated emergency alarm response. The control center deputy also coordinates attendance for Adults In Custody who sign up for law library access for case related research. Additionally, they maintain supervision of those individuals who attend law library. This provides Adults In Custody the ability to have access on a regular basis to the law library located on the east end of the facility.

The Inverness Jail is primarily a medium security, direct supervision, dormitory style facility. The design and population of Inverness Jail offer the greatest prospects for programs, education and volunteer work opportunities for those in custody. Adults In Custody are afforded opportunities to exercise their faith while housed at MCIJ, to include offering religious diets and available faith related items and materials. Language interpreter services and ADA accommodations are available and provided to meet individual needs. MCSO strives to ensure everyone in our care is afforded the opportunity for medical, mental health and emotional support.

The program's mission is to ensure that Adults In Custody are treated with dignity and respect during a difficult time as they work through court processes, serve a sentence or a sanction. Staff work to provide opportunities for all Adults In Custody to have fair and equitable access to a variety of programs and services. Additionally, individuals are provided opportunities to actively engage in addressing their individual needs while in custody in a safe, encouraging and engaging environment.
