Executive Summary

This program offer is for the operation of 78 general use, open dormitory style beds in Dorm 11 at the Multnomah County Inverness Jail (MCIJ) and one additional graveyard Escort Deputy. MCIJ is made up primarily of open dormitory style housing units. The MCIJ dorms are used to appropriately house adults in custody to ensure safe, efficient and equitable operation of the jail system. Open dorm housing is the least restrictive for Adults in Custody, providing the most access to programs and activities to help address individual needs. Deputies facilitate access to programs, medical, religious and professional services adults in custody require daily while providing safety and security supervision and direction in the dorm.

Program Description

Dorm 11 is designated as a 78 person mixed classification open dormitory style housing unit. The graveyard Escort Deputy serves as a first responder to emergency situations in the facility and provides security and welfare checks to secure housing units as needed. The additional graveyard Escort Deputy also escorts volunteer facility sanitation workers to provide for general facility sanitization and upkeep. Staffing is reduced on graveyard and security and welfare checks are completed in single cell units by escorts and not a dedicated housing unit deputy. The additional Escort Deputy also provides supervision for graveyard shift moves, transfers and court movement in mornings for court matters.

The Inverness Jail is a medium security, direct supervision, dormitory style facility. The design and population of Inverness Jail offer the greatest opportunities for programs, education and work opportunities for those in custody. Adults in custody are afforded opportunities to exercise their faith while housed at MCIJ, to include offering religious diets and available faith related items and materials. Language interpreter services and ADA accommodations are available and provided to meet individual needs. MCSO strives to ensure everyone in our care has access to medical, mental health and emotional support while in custody.

The program's mission is to ensure that adults in custody are treated with dignity and respect during a difficult time as they work through court processes, serve a sentence or a sanction. Staff work to provide opportunities for all adults in custody to have fair and equitable access to a variety of programs and services. Additionally, individuals are provided opportunities to actively engage in addressing their individual needs while in custody in a safe, encouraging and engaging environment. The Corrections Health program's mission is to ensure that detainees receive appropriate medical, dental and mental health care, and are treated humanely. Suicide prevention is a primary goal. Emergency medical services are available at MCIJ 24/7.
