Executive Summary

This offer is for the operation of 59 beds at MCIJ. MCIJ is a medium security, direct supervision corrections facility. Operation ensures the proper custody, control and supervision of detained pretrial inmates and sentenced offenders.

Program Summary

The Inverness Jail is a direct supervision, dormitory facility founded on the principles of re-engineering the responsibilities and behavior of inmates. The design and population of Inverness Jail are suited to the greatest opportunities for inmate programs, education and work opportunities.

The Inverness Jail is operated in accordance with applicable state statutes and regulations, with the goal of ensuring public safety by providing professionally managed detention services to pretrial inmates and sentenced offenders. The facility also serves as the central link for regional networking through the inmate transport system.

The Prison Rape Elimination Act is strictly enforced, claims are investigated and prosecution is sought when violations are reported.

This year Dorm 8 was designated as protective custody (PC) dormitory housing. PC inmates eligible for open dorm housing now have the opportunity to move from MCDC to MCIJ when appropriate. This move has allowed PC inmates more access to programming opportunities and increased walk periods as part of least restrictive housing goals for those incarcerated. This move increased flexibility for administration of single cell housing at MCDC for management of their maximum security population.

Funding for Dorm 8 supports the role of public safety and the operations of the MCIJ. Funding for MCIJ and MCDC aid the Sheriff in managing the incarcerated population and reduces the potential for emergency releases.
