Program Summary

The Inverness Jail is a direct supervision, dormitory style facility founded on the principles of re-engineering the responsibilities and behavior of adults in custody. The design and population of Inverness Jail are suited to the greatest opportunities for offender programs, education and work opportunities.

The Inverness Jail is operated in accordance with applicable state statutes and regulations, with the goal of ensuring public safety by providing professionally managed detention services to pretrial detainees and sentenced offenders. The facility also serves as the central link for the regional inmate transport system.

Dorm 9 currently operates as the MCIJ outside workers dorm, housing 59 adults in custody suitable for work positions outside of the secure confines of the jail. Outside work crews serve in the community assisting county municipalities and other agencies with landscaping and neighborhood livability efforts. Offenders learn job and life skills while spending time giving back to their community as they serve their sentence.
