Executive Summary

The Corrections Services Division Admin oversees specialized units that provide leadership and strategic direction to agency members and is focused on providing quality, cost effective services to the community. The mission of this team is to find creative, efficient solutions to manage logistics and safe operations of MCSO facilities, ensure court processes are accessible to the community, provide case management and supervision for pre-trial defendants, and provide programming and wraparound services, which increase opportunities for adults in custody to successfully transition into the community.

Program Summary

The Corrections Services Division oversees the following units, which through efficient collaboration directly support the daily operations of the Sheriff's Office, its facilities, as well as the overall public safety system. The Auxiliary Services Unit supports agency operations by ensuring adequate supplies are distributed to multiple facilities, while also providing commissary, laundry, and property storage services for adults in custody. The Classification Unit is a specialized unit whose primary function is to determine appropriate housing of adults in custody during an initial interview utilizing an objective jail classification instrument. The Programs Unit provides adults in custody access to education, mental health and addiction services, and housing and employment resources focusing on the continuity of services that best provide successful reintegration into the community. The Behavioral Health Team focuses on adults in custody with mental health or substance use concerns who benefit from a focused plan designed to screen, identify, and guide appropriate services while in custody. The Close Street Supervision Unit is an intensive supervision program that strives to provide exceptional service to the community by utilizing methods of supervision that support offender accountability while transitioning pretrial defendants out of limited jail beds. Security and access to county facilities is managed by the Facility Security Unit who ensures public safety by providing information and access at the Multnomah County Courthouse, Justice Center, East County Courthouse, Juvenile Justice Complex, Inverness Jail, Gateway Center for Domestic Violence, and the Central Library. The Court Services Unit provides a variety of public safety services at the Multnomah County Courthouse, Juvenile Justice Complex, and the Justice Center courtrooms, including courtroom security, working with the judiciary to facilitate court hearings, and responding to citizen inquires. Coordinating with the Transport Unit, deputies ensure all adults in custody are present for court hearings and are transported to appropriate state and county facilities or released after their case has been adjudicated by the courts.

The Corrections Services Division Managers effectively guide policy development, assign resources, and provide oversight to all Division functions as detailed. The efficient collaboration of these units, while also coordinating with all Sheriff's Office Divisions and the Executive Office, directly support the daily operations of the Agency, its facilities, as well as the overall public safety system.
