**Executive Summary**

Members of the Facility Security Unit (FSU) serve as ambassadors of the Multnomah County Sheriff’s Office (MCSO), and are often the first point of contact for people accessing the jail facilities. Facility Security Officers (FSOs) provide security screening and assist the public and professional visitors with inmate information, bail processing, visitation, inmate accounts, and inmate property transactions.

**Program Description**

Facility Security Officers (FSOs) serve as the first point of contact for the public and professionals conducting business with adults in custody, such as visiting, bail, inmate property, and money transactions. In addition, FSOs assist in ensuring public safety by providing a uniformed presence, deterring disruptions within the facility, and preventing the introduction of weapons or contraband into the jail facilities through visitor screening. The work of the Facility Security Unit (FSU) ensures safe access to MCSO facilities for all community members.

The FSU also conducts records checks for Facilities and Property Management, Corrections Health, MCSO Programs, vendors, and others who require access to the jail. The FSU works closely with other agencies and MCSO units to facilitate business transactions for adults in custody.

Community members can often be discouraged when attempting to navigate through the complexities of the criminal justice system, and FSOs provide person-to-person information and assistance when needed. The FSOs ensure continuity of jail operations by providing a safe environment for the public to transact their business and by working collaboratively with jail staff to process transactions for adults in custody.

The FSU provides both public and professional access to a variety of different processes that help those in custody maintain critical relationships with their family, legal representation, and other aspects of their daily lives while they are incarcerated. It is the priority of all FSO’s to ensure each member of the community feels a sense of belonging when entering any jail facility in Multnomah County.

The FSU continues to focus on Diversity, Equity and Inclusion (DEI) goals with MCSO DEI and Multnomah County Organizational Learning. These efforts will help ensure our staff have the training and support they need to assist those they serve each day in our community.
