Executive Summary

Members of the Facility Security Unit (FSU) serve as the ambassadors of MCSO, and are often the first point of contact for people accessing the jail facilities. The FSOs provide the public and professional visitors with assistance with inmate information, bail processing, visitation, inmate accounts, and inmate property transactions. FSOs also provide facility security and safety by controlling and monitoring foot and vehicular access to the lower levels of the Multnomah County Detention Center, facility patrols of public areas, and the security screening of entrants into the jail areas.

Program Summary

Facility Security Officers (FSO) serve as the first point of contact for the public and professionals conducting inmate business such as visiting, bail, inmate property, and money transactions. In addition, FSOs assist in ensuring public safety by providing a uniformed presence, deterring disruptions within the facility, and preventing the introduction of weapons or contraband into the jail facilities through visitor screening.

The Facility Security Unit (FSU) also conducts records checks for Facilities and Property Management, Corrections Health, MCSO Programs, Aramark Food Services, and others who require access to the jail. The FSU works closely with other agencies and MCSO units to facilitate business transactions for adults in custody.

Citizens can often be discouraged when attempting to navigate through the complexities of the criminal justice system, and FSOs provide person-to-person information and assistance when needed. The FSOs ensure continuity of jail operations by providing a safe environment for the public to transact their business and by working collaboratively with jail staff to process transactions for adults in custody.

The FSU provides both public and professional access to a variety of different processes that affect those in custody and their ability to maintain critical relationships with family, attorneys, and other aspects of their daily lives while they are incarcerated. Their work is essential to MCSO's commitment to safe, effective care and custody of those adults housed in MCSO's facilities.
