Executive Summary

Members of the Facility Security Unit (FSU) serve as ambassadors of the Multnomah County Sheriff’s Office (MCSO), and are often the first point of contact for persons accessing The Gateway Center for Domestic Violence. Facility Security Officers (FSOs) provide professional assistance to persons entering the "one-stop" Gateway Center for Domestic Violence Services. Ensuring everyone coming to The Gateway Center for Domestic Violence knows they are safe is a top priority of the FSU.

Program Summary

The FSU provides security and information for both the public and professionals conducting business at The Gateway Center facility. The FSU works closely with a variety of community partners at The Gateway Center to facilitate the needs of the community members seeking domestic violence support and resources.

Disruptions and criminal activity interfere with the important domestic violence services offered at the Gateway Center. Ensuring that victims, advocates, and service providers have a place of safety and belonging is imperative to the success of The Gateway Center. The FSOs use their knowledge of the programs and staff available, as well as their communication skills, to mitigate any problems that might create an environment that is not productive in meeting these goals.

The effectiveness of the FSOs is demonstrated by the low ratio of incidents, when compared with the number of persons served at the Gateway Center. The work of the FSOs in this challenging environment furthers the MCSO goal of providing quality, cost-effective solutions to maintaining an orderly process and access to necessary services.
