Executive Summary

Within the Auxiliary Services Unit, the Property and Laundry component performs mandatory functions required by Oregon Revised Statutes (ORS). MCSO Property Technicians conduct the inventory of all inmate property and ensure safe, secure storage of property entrusted to their care. Through the inventory process, they are also able to safely identify and ensure removal of prohibited items from the detention facilities. MCSO also provides reliable laundry services for persons in custody, issuing them clean clothing and linens, which are in good condition and repair.

Program Summary

Consistent with governing statute, the Auxiliary Services Unit (through the Property and Laundry Component) is responsible for the inventory and secure storage of all inmate property and valuables on a continuous basis. The meticulous inventory and careful storage of inmate property allows for accurate accountability and prevents the introduction of prohibited items from entering detention facilities. Property staff ensure the personal possessions of adults in custody are stored in a secure and respectful manner and that all funds associated with each individual are accounted for. Property responsibilities include bail checks, property and money, releases, and preparation of all out-of-county transports through MCSO facilities.

Laundry Services ensures adults in custody are provided with clean, serviceable clothing and linens. Clean laundry and linen products are provided on a bi-weekly basis. Sewing services are also provided to mend and prolong the life of jail clothing, as well as alterations to staff uniforms. This in-house service provides cost savings to the County by extending the life of certain textiles and by not incurring contractor costs for similar services outside of MCSO.

Laundry services are also provided to the Juvenile Detention Facility and Transition Projects Warming Centers. Transition Projects serves the homeless population, and the Laundry Facility provides clean blankets twice weekly during the cold winter months. Additionally, the Laundry Facility provides clean blankets throughout the entire year, as well as during the winter months to other designated locations.
