Executive Summary

Commissary operations are a self-sustaining program, which utilizes no funding from either the Inmate Welfare Fund (IWF) or the General Fund. Proceeds from Commissary operations are directed into the Inmate Welfare Fund, which provides direct services and products that otherwise may not be funded for the benefit of adults in custody. In addition, Commissary personnel are included as part of the RSS (Receipt, Stage, and Storage) Center staff plan in a collaborative partnership with the Multnomah County Health Department and Emergency Management.

Program Summary

Commissary, which is part of the IWF, successfully provides culturally compatible products to adults in custody at competitive pricing. Commissary provides a sense of normalcy to individuals while incarcerated. Commissary items available include personal hygiene items, stationery, and food items.

An internal commissary system provides improved contraband control, while allowing adults in custody to buy approved and appropriate items. Commissary promotes good behavior among the population with increased access to purchase a larger variety of commissary items based on their housing location. The Commissary program is an important asset to MCSO's facilities as both a behavioral management tool and a revenue stream that assists in providing services in the facilities. Funds received from Commissary directly benefit adults in custody. The jail does not make a profit from commissary. Profits from commissary sales are directed into the IWF, which are then utilized to offer additional services including chaplain resources, library materials, as well as to assist in-custody adults who are indigent. The service also boosts morale and assists in creating a better atmosphere for all staff.

As of November 1, 2017, inmate accounts changed to a 70/30 split. Deposits are split with 70% to the cash account for spending while in custody and 30% is applied to debt or other funds owed. This will increase the commissary order size and frequency. Adults in custody who were commonly indigent will now have the ability to place commissary orders on a more frequent basis.

Additionally, Commissary personnel train routinely as part of RSS operational readiness planning and response.
