Executive Summary

Commissary, which is part of the AIC (Adults In Custody) Welfare Fund process, successfully provides culturally compatible products to adults in custody at competitive pricing. Commissary provides a sense of normalcy to individuals while in our facilities. Available items include personal hygiene products, stationery, a variety of food items and basic hygiene supplies for those who may not have money to purchase items.

Program Description

Commissary is a self-sustaining program; it does not utilize funding from the AIC Welfare Fund or the General Fund. Proceeds from commissary operations are directed into the AIC Welfare Fund, which provides direct services and products that otherwise may not be funded and are a benefit of adults in custody. In addition, Commissary personnel are included as part of the RSS (Receipt, Stage, and Storage) operations.

The Commissary program is an important asset to MCSO's facilities, as a revenue stream that directly assists in providing services to adults in custody. All funds received from Commissary are reinvested to directly benefit adults in custody. The detention facilities do not make a profit from commissary sales. For accountability purposes, the Adult in Custody Welfare Committee meets monthly to track and discuss funding, oversee spending, and provide direction regarding appropriate spending for AIC programs.

Profits from commissary sales are directed into the AIC Welfare Fund, which is then utilized to fund additional support services for adults in custody including chaplain resources, library materials, as well as basic hygiene and communication materials to adults in custody who are indigent. These additional services are essential to providing a clean, safe environment that serves as an essential part of treating each person in our custody with dignity and respect.

Additionally, Commissary personnel train routinely as part of RSS operational readiness planning and response. Staff plan in a collaborative partnership with the Multnomah County Health Department, Emergency Management and other county, state, and federal entities to assist in the event of certain countywide public health emergencies.
