

Code Section Tracker Table for Chapter 36

Notes:

- 1. 'Reconciled' means the section text is retained but the text has been reconciled with the same or similar sections from other plan areas. This differs from text that has been retained as is without changes.
- 2. The 'Deleted or Modified' column tracks those sections that have been either deleted or have had strike-outs or additions to the original text of the code section.
- 3. Because MCC 11.15 and MCC 11.45 are being repealed in favor of the new consolidated code MCC 11.05 which is 'Planning Authority' can be repealed in favor of consolidated code Part 1 (Admin and Procedures).
- **4.** Because the 2016 Comp Plan has been adopted it appears that MCC 11.10 is outdated and can be repealed.
