Executive Summary

Enforcement Division administration provides administrative leadership and strategic direction to the Sheriff's Office Enforcement Division. The Division administration develops Sheriff's policies and directives into the Enforcement program offerings that serve the public of Multnomah County.

Program Summary

The Enforcement Division is responsible for the protection of life and property and for enforcement of the Oregon Criminal Code, County Ordinances and contract city codes. Enforcement Division provides police and marine patrol, investigative services, civil process services, and participates in multi-agency task forces. The Enforcement Division also collaborates with County Emergency Management to plan and staff emergency operations. The programs operated by these divisions address all the major factors in citizens feeling safe at home, work, school and play – namely the public safety system, social conditions and communities. The programs offered hold offenders accountable for their actions, provide for treatment and rehabilitation resources, education and leverage collaboration with other community safety system providers. Division Directors are responsible for policy development, the assignment of resources, and oversight for all Division functions. They provide supervision, coordination, and management to the Divisions.
