Enforcement Division Administration provides leadership and strategic direction to agency members and focuses on supporting all community members through exemplary public safety service. The Enforcement Division Administration assesses and develops program offerings to ensure essential public safety services are positioned to support the residents and visitors of Multnomah County and provide a safe and thriving community for everyone.

The Enforcement Division oversees multiple units that directly support the daily operations of the Sheriff's Office and provide comprehensive public safety/policing services throughout unincorporated Multnomah County and the contract cities of Wood Village, Maywood Park, Troutdale, and Fairview. These services are conducted through uniformed patrol, marine patrol, investigative efforts, civil process, and community resource programs, as well as multiple system partner collaborative teams. These programs provide emergency response and self-initiated field activities dedicated to preserving and protecting life and property, promoting community accountability, providing education opportunities focusing on public safety issues, while also providing referrals to community-based resources for individuals experiencing houselessness, substance use, or mental health challenges.

Enforcement Division members recognize the importance of community engagement, building relationships, developing and maintaining community trust, and treating everyone with dignity and respect, while also gaining a comprehensive understanding of each community we serve.
