**Executive Summary**

Encrypting police radios privatizes communication. Agencies within and around Multnomah County are updating their police radios for encryption. In order to be compatible with other jurisdictions, encryption of our radios will be necessary.

**Program Summary**

All surrounding agencies in and around Multnomah County have or are in the process of encrypting their police radios, to include Portland Police Bureau, Gresham Police Department, the fire departments, Clackamas County Sheriff's Office and Washington County Sheriff Office. Encrypting police radios privatizes communication and will be required to continue communication between local jurisdictions. Due to the fast rate of technology changes, many of the radios are unencryptable. There are approximately 116 radios that will be need to be replaced, then encrypted.
