Executive Summary

The Patrol Unit protects citizens residing and/or recreating in unincorporated Multnomah County by responding to emergencies, patrolling neighborhoods, performing traffic safety duties and providing education throughout the communities. Patrol provides emergency preparedness, assistance and intervention as part of the treatment service continuum. Patrol deputies and sergeants develop and implement community policing projects utilizing community based policing principles and frontline human services while providing safety to citizens.

Program Summary

Patrol provides 24/7 protection of life and property for visitors and residents living in the unincorporated areas of Multnomah County. They provide protection services by responding to service calls through the 911 system, non-emergency dispatch or self-initiated field activities. Deputies are the first responders to any emergency requiring an immediate response. Working with schools, businesses and neighborhood associations, deputies seek to understand community needs and use problem solving skills to assess, investigate, and intervene in criminal and gang related activities. Criminal intervention sometimes results in disruption of the family unit and deputies use social service providers to help stabilize children and families through housing, health and mental health services. Traffic safety through education and intervention provides safe streets and highways to access commerce and recreation opportunities for the community. A visible public safety system is critical for citizens in feeling safe at home, school, work, and play. Evidence through the Bureau of Justice Administration studies shows that community policing is a proven and historical strategy to community safety. The Patrol Unit works actively with citizen groups and neighborhood associations to develop agreed upon response plans for identified problems. The Patrol Unit provides the introduction of county-wide social service programs to the community.
