**Executive Summary**

The Multnomah County Sheriff's Office (MCSO) Civil Unit provides enforcement services for the civil and probate court systems. Notices and enforcement actions originate through the courts and are processed through the delivery and services conducted by the Civil Unit. Civil enforcement actions are statutorily mandated to the Sheriff.

**Program Summary**

The Civil Unit delivers all court action documents through written notification to parties of a pending action. Through this program, court orders to seize and sell property, satisfy landlord/tenant actions, and enforce child custody disputes are conducted in an objective, fair, and equitable manner in compliance with Oregon statutes and rules on civil procedure.

When domestic violence threatens the family, deputies in the Civil Unit serve domestic violence restraining orders to protect family members from violence and aggressive behavior. The Civil Unit collaborates with the MCSO Gun Dispossession/Restraining Order Detail Sergeant, focusing on retrieving firearms from respondents in the restraining orders.

Through probate court, families, police officers and other interested parties seek involuntary commitment for alleged mentally-ill persons suffering from episodes so debilitating that they are a danger to themselves or others. In these cases, Civil Unit deputies locate, transport, and provide security for the person and the court.

While performing their statutorily mandated duties, Civil Unit deputies experience many challenging situations, including those that require a substantial amount of additional resources and a significant amount of time to complete the civil process, while also ensuring the safety of the community. All members are trained in utilizing de-escalation techniques and conflict resolution skills to assist in resolving these challenging situations in a peaceful manner. Additionally, every community member served an eviction is provided a resource list with phone numbers and addresses to assist in resolving their situation.

A balanced public safety system provides community members the ability and right to address grievances in a safe, fair, and equitable manner while also ensuring that these mandated services are performed effectively to meet the needs of all.

**Performance Measures Descriptions**

Data from the "Civil Process" data base. Lower man hours were available to serve paper due to staffing. On RO's, addresses may include "unknown" or "homeless" which are almost impossible to find. Regarding the "civil process" offer, the addition of two Civil Deputies would increase the amount of individuals served.
