Program Characteristics:

Program Description

The Community Resource Deputies (CRDs) engage all community members through proactive, innovative, and inclusive community policing strategies. They assist our communities with emergency preparedness, crime prevention and safety education by attending community meetings and events. They provide enhanced police services for the communities they serve. This program offer is for CRDs serving unincorporated east Multnomah County, unincorporated west Multnomah County and the city of Troutdale.

Working with schools, businesses, neighborhood associations, and diverse community organizations, CRDs seek to understand specific community needs and utilize problem solving skills to assess, investigate, and intervene in criminal activities. CRDs make a positive impact on the communities they serve by building relationships and establishing and fostering community trust by reaching out to vulnerable and underrepresented populations and utilizing innovative and inclusive community policing strategies.

All current CRDs have completed a 12-week pilot training project developed in collaboration with the Sheriff's Office Equity and Inclusion Manager. This training was aimed at bringing awareness and understanding on topics including active listening, advanced communications, trauma informed understanding, cultural competency and anti-racism. The training provided CRDs with the skills and tools necessary to more effectively connect with and represent all community members as the program strives to provide exemplary, innovative and inclusive policing services.

The Community Resource Officer Program:

- Proactively engages members of the community
- Assist community members with emergency preparedness and safety education
- Builds relationships with community leaders and organizations to proactively mitigate criminal activity
