Program Summary

MCSO participates in the interagency East Metro Gang Enforcement Team (EMGET). No individual law enforcement agency can adequately respond to this unique threat to life, property, and quality of life that has no jurisdictional bounds. As a result, East County law enforcement agencies have banded together to seek grants; improve interagency and interdisciplinary communications; coordinate field efforts, records, and information databases; empower residents and businesses to present a united front to counter gang activity; work in close cooperation with social services to address the issues that led persons into gangs and in preventative measures for those at risk for joining gangs; and collectively working with specifically assigned members of the District Attorney's Office to prosecute the gang involved criminal conduct. All these collective efforts are to identify gang members; reduce actual and feared gang related criminal activity; empower the community to unite against gang activities and influence; and provide enhanced and focused law enforcement efforts to reduce actual and feared gang related criminal activity.

In areas east of 162nd Avenue, the EMGET provides focused investigative assets towards gang related violent and other high impact neighborhood crimes; conducts proactive measures to prevent gang related crimes and activities; provides expertise to regular field staff and the community in gang issues; and collaborates with other criminal justice partners, social services, and neighborhoods to identify gang related issues and solve gang related problems. Criminal Justice partners include but are not limited to the Transit Police Detail, Portland Police Bureau, area School Resource Officers, Gresham Police Department, Fairview Police Department, Multnomah County Sheriff's Office, Multnomah County Department of Community Justice, and the US Marshal's Service. The deputy on EMGET is part of a close knit collaborative team also comprised of Police Officers from the cities of Fairview, and Gresham.

Presentations are made in high schools, middle schools, and community and business groups in regards to deterring gang involvement and gang involved activities. The EMGET also works with the Oregon Department of Justice to document confirmed gang members in a statewide database.
