**Program Description**

Multnomah County Sheriff's Office (MCSO) Gun Dispossession/VRO (Violation of Restraining Order) Detail program provides for countywide investigation of restraining order violations, specifically when the respondents do not comply by dispossessing themselves of their firearms. Since 2015 MCSO has collaborated with the Portland Police Bureau, Multnomah County District Attorney's Office, and the Multnomah County Circuit Court in enforcing the gun dispossession clause of restraining orders. In 2011, a model surrender protocol was developed in a statewide domestic violence firearms task force, and this process is currently being utilized in Multnomah County. In January 2020, this protocol was extended to the other protection orders through an Oregon House of Representatives Bill, which include Stalking Orders, Sex Abuse Protection Orders, Disabled and Elder Abuse Protection Orders, and Family Abuse Protection Orders.

This unit helps educate and/or force respondents to comply with the court order to surrender their firearms. This reduces the number of illicit firearms in the community and assists in reducing domestic violence lethality by removing firearms from the respondent's possession. Data shows that access to firearms can increase the risk of death to the petitioner by five times and up to twenty times if the respondent had made prior threats or assaults with firearms. Statistics demonstrate that an abuser's access to firearms increases the risk of homicide of a female partner by 400%, and the mere presence of a gun increases fivefold the chance that domestic violence results in homicide.

The Gun Dispossession VRO Detail:

- Seizes firearms held by subjects of restraining orders and protection orders
- Investigates restraining order violations for follow-up

**Equity Statement**
