Voters of Zone 4

I am Sonny Yellott, current member MHCC Board running for re-election.

In my first term, I have accomplished some things such as:

My prodding resulted in the chartering of an Alumni Association.

I saw the faults in the Security program and developed measures to combat the lack of student security. With concern toward student safety in the light of recent school shootings, I considered this a high priority. I want all of you to go home and sleep in your own beds every single night. No exceptions Training is now available to teach students how to effectively resist an incident, physically if/when possible/necessary.

I have had an influence on the formation of Governance Policy as related to members' interaction.

I do understand there is some problem with certain programs which many students consider very important, I agree with these students, and I support the impacted discipline This concern results from letters I have received from High School teachers. The situation has the capacity to negatively impact enrolment.

I have always been out for the students as I was recently a student and am trying to get financial matters arranged to return for a BA and on to Law School.

As the County Clerk limits this word count, this is brief; however, I am on Facebook where you may interact with me personally, please do. @ Sonny Yellott.

I will appreciate your support, and the support of your family.

Thank you.
