Executive Summary

SummerWorks is a paid summer internship program that supports key interventions to prevent student dropout rates by connecting youth to career pathways. The program is part of a regional workforce development program with public and private partnerships.

Program Summary

The enhancement proposes to add funding to the FY 2018 SummerWorks program to ensure that 500 program participants are offered employment in jobs that pay at the adjusted minimum wage rates. With new minimum wage rates in place, program allocation must be raised to ensure these costs are covered through WorkSystems, Inc.

The increase as of July 1, 2017 is from \$9.75 per hour to \$11.25 per hour.
