## **Program Summary**

This intensive custody and supervision program supports offender accountability while transitioning pretrial and sentenced offenders out of scarce jail beds. At the direction of the court, Close Street Supervision provides intensive, individualized supervision and management of multiple need pretrial arrestees who would otherwise be ineligible for pretrial release. This program supports and enhances community safety by assessing a broader number of the in-custody population for program suitability, expanding case management and supervision, subsidizing participation when indicated, and providing immediate consequences for program failures.

Compared to other pretrial supervision programs, the program's success rates rank among the highest in the nation. A recent audit demonstrated that, of the almost 1,200 defendants supervised in 2010, more than 96% were successful; appearing for all scheduled court dates and committing no new crimes, while under supervision. More than 99% of Close Street supervised arrestees successfully complete the program with no new offenses. Close Street participants also appeared for all scheduled court dates 98% of the time. The national average for both of these measures is 80%\*\*.
