Executive Summary

This offer purchases continued funding of a Corrections Sergeant to continue intelligence-gathering and intervention methodology regarding human trafficking as it is proliferated among jail inmates, to include the establishment of a screening instrument to identify at-risk pretrial inmates and sentenced offenders. This Sergeant collaborates with the Oregon Human Trafficking Task Force to both aid in prosecution of Human Trafficking crimes and intervene with victims while in custody.

Program Summary

A trend has been identified among the jail population whereby at-risk inmates are being used as a commodity by being identified and passed once out of custody to persons involved in crime types including coercion, prostitution, promoting prostitution, sex abuse and contributing to the delinquency of a minor. This offer would continue funding of a Corrections Sergeant to develop intelligence collection, organization and dissemination operations targeting human trafficking activities inside the jails. The Corrections Sergeant shares names and information with the Oregon Human Trafficking Task Force regarding intelligence gathered on potential perpetrators, maintains a data-base module for tracking and information dissemination and uses a screening instrument to quickly identify at-risk inmates and connect those inmates with in-jail programs and intervention/ transition services.
