## **Executive Summary**

The Tax Supervising and Conservation Commission's 2018 program budget continues the same staffing and program levels as in prior years.

### **Program Summary**

The Commission carries out statutory mandates to oversee budget, debt, and property tax issues of local governments in Multnomah County.

The Commission is responsible for oversight of its 26 member taxing districts in Multnomah County. The member districts account for 90% of the budgeted expenses of local governments in Multnomah County.

The Commission is also statutorily responsible for producing a report, annually, that compiles and analyzes the budgets, property taxes, and debt of all 41 local governments in Multnomah County. The Commission has produced this report every year since 1922.

In addition to its legal mandates, the Commission offers training and consulting services to member jurisdictions. Commission staff is active state-wide on budget and property tax issues in both a practitioner role and a legislative advisory role.

The Commission is governed by five volunteer commissioners, appointed by the Governor.

The Commission ensures that violations of local budget law are minimized, especially if the error results in a property tax levy that exceeds authority. Commission staff works closely with the county assessor's office as a double check that property tax levies are requested and calculated accurately.

The Commission considers the citizens to be its primary customers and seeks to make the financial affairs of local governments more transparent and accountable to those citizens.
