#### Executive Summary

A Home for Everyone (AHFE) has prioritized shelter, in particular for highly vulnerable populations, including adult women. Between 2013 and 2015, the number of adult women experiencing homelessness in Multnomah County grew by 15% (from 1,089 to 1,161 on a given night). This led to a commitment from the AHFE Executive Committee to prioritize increased shelter and housing resources for this population. This program supports 240 long-established beds of year-round emergency shelter that will serve more than 1,200 single women next year.

#### **Program Summary**

While not a solution to homelessness, emergency shelter is vital to protecting the basic health and safety of individuals while they are experiencing homelessness. This program funds 240 long-established emergency shelter beds for single women. The shelters are low-barrier and some, such as the Gresham Women's Shelter, operate 24/7. Funds are contracted to nonprofit providers to pay the operating expenses for shelter, including maintenance, staffing, materials and supplies, and on-site services.

In addition to providing a safe place to stay, these shelters are critical locations for women to learn about and access the services they need to find permanent housing, acquire an income, and receive health-related services. Services are delivered through contractors that adhere to A Home for Everyone's Community Guidelines for shelter, which includes delivering services in accordance with the principles of assertive engagement and trauma-informed care.
