Program Characteristics:

Executive Summary

A Home for Everyone partners have prioritized alignment of employment and housing resources to help people experiencing/at-risk of homelessness achieve long-term housing stability. This program implements several highly effective programs that connect employment and housing resources for families, youth, and communities of color. In combination with program 10056B, it will yield at least 225 employment placements and 140 housing placements, and help maximize benefits of employment and housing assistance by ensuring they are appropriately integrated.

Program Summary

Following recommendations of the A Home For Everyone (AHFE) Economic Opportunity Workgroup, this program combined with program 10056B, sustains critical capacity in several targeted employment and housing initiatives, with an emphasis on meeting the needs of families, youth, and communities of color. All programs seek to assist households experiencing homelessness or housing instability by offering a combination of housing assistance and access to a range of workforce supports, provided in a culturally specific or culturally responsive manner. Together these programs will provide at least 400 people with employment services and will lead to at least 140 housing placements. This program represents 180 of those employment placements and 112 of the housing placements. Programs include:

Family Employment Services would provide capacity to an existing network of six nonprofit employment providers, to connect families to career track employment services, housing resources and community-based support, and to the Employment Opportunity Program (EOP). Participants who are survivors of domestic violence and/or who are eligible for SNAP are prioritized.

Youth Employment Services expands services provided by Homeless Youth Continuum partners to improve employment and housing alignment through pre-readiness support, job training, day labor opportunities and work experiences.

Equitable Access to Employment, implemented by a culturally-specific provider, supports individuals and families seeking employment and experiencing homelessness to secure culturally-specific employment services.

Adult Employment Services and Rent Assistance provides capacity through the EOP, and its multiple culturally-specific providers, to offer employment and housing support for adults, including adults in couples or parents with adult children, rent assistance for housing placement, and career coaching; expanded one-stop employment services and resources to serve young adults of color, many of whom are exiting the corrections system.
