Executive Summary

Gang violence is a serious problem within Multnomah County. In 2005, the Oregon Legislature established a funding stream to enhance important law enforcement activities in the eastern part of Multnomah County via the East Metro Gang Enforcement Team (EMGET).

Program Summary

In the late 1980s, Multnomah County saw an increase in gang recruitment, drug sales, violence and gang activity. Today, gang activity is not only increasing in Multnomah County, it is spreading. Latino gangs have established themselves east of 122nd street and their high risk activities have increased in recent years.

EMGET includes a partnership between the Gresham Police Department, the Multnomah County Sheriff's Office, and other East County law enforcement agencies. In order to reduce the impact of criminal street gangs on citizens, schools, businesses and neighborhoods of Gresham, Fairview, Troutdale, Wood Village and unincorporated areas of east Multnomah County. EMGET exercises five major strategies: 1) provides a high level of coordinated law enforcement; 2) locates and identifies individuals affiliated with criminal street gangs; 3) gathers and shares intelligence information related to criminal street gang activity; 4) investigates crimes associated with criminal street gangs; and 5) provides an increased level of police presence in known or suspected street gang affected areas.

EMGET conducts monthly, multi-agency, coordinated missions and holds quarterly meetings (open to the public) to release the latest numbers/data related to criminal street gang contacts, weapons seized, arrests of gang members and EMGET cases referred for prosecution.
