**Executive Summary** 

Central Payroll is responsible for paying the employees of Multnomah County, ensuring compliance with Federal, State, and local wage and hour laws, withholding and remitting employment taxes and other deductions, issuing wage and tax reporting statements and administering the pension and deferred compensation programs.

## **Program Summary**

Central Payroll produces 24 payrolls per year for all Multnomah County employees and is responsible for accurately withholding, reporting and remitting employment taxes to Federal, State and Local taxing authorities. Payroll reports and remits pension contributions to the Public Employees Retirement System and administers the County's IRC §457 deferred compensation program. Payroll ensures that timekeeping and wage payments are done in compliance with Federal and State wage and hour laws, labor contracts and County Administrative guidelines. Payroll reconciles and remits mandated deductions for creditor garnishments, child support, bankruptcies, tax levies and union dues. Payroll reconciles and produces year-end tax statements for employees (W2's) and vendors (1099's) of Multnomah County following strict federal and state regulations.

Payroll protects County funds by ensuring that employment taxes, wage and tax statements, and pension payments are processed and remitted timely to avoid assessment of fines for noncompliance. The program supports the County's sustainability goals by providing electronic disbursements of wages to employees' financial institutions and providing paperless notification of their deposits. Currently 97% of employees participate in direct deposit of funds and of those, 92% receive the notification of deposit via email.

Explanation of Revenues

This program is supported by General Fund revenues.

External revenues for the deferred compensation program are contractually negotiated with the County's deferred compensation provider through a revenue sharing agreement. All administrative costs associated with the program are paid for through the agreement. The revenue sharing enables the County to offer the program to employees at no cost to the County. The estimated reimbursement for FY 2018 is \$134,998 and is adjusted each following year by the CPI-U amount. The remaining \$17,000 is miscellaneous revenue.
