Please Note: *Multnomah County Family Caregiver Support Program does not directly contract with the providers below to offer services to participants of the program. The following providers have not been verified or reviewed by our staff and listing here does not imply endorsement of any kind by the program. We encourage participants to find the right provider for them, and to verify the rates as they may have changed and we cannot guarantee their accuracy.*

If you have another provider you would like to use and would like them to invoice the **Multnomah County Family Caregiver Support Program**, please submit the provider's name and contact information on the FCSP intake and the Family Caregiver Support Program Coordinator will contact the provider to see if they are licensed, bonded and insured and are willing to bill Multnomah County for their services.
