Introductions were made and each person shared what they would do as king or queen for a day.

Abbey Stamp announced the Portland Tribune published "Unequal Justice," the first in a series on disparities in the justice system. We have created a statement from LPSCC acknowledging the problem and plans for addressing it.

**Review of Objectives in the Implementation Plan**

Mary Geelan began by asking for feedback on the implantation plan and help with editing the document.

Mary gave an overview of the Multnomah County Comprehensive Gang Assessment, which was completed in 2014; the 6 steps in the OJJDP planning process are now complete. We reviewed the goals and objectives. There was discussion of objectives, measures, and activities.

The presentation to LPSCC will be Monday, February 13<sup>th</sup> at 1:30 at Gresham City Hall and members from the subcommittee are encouraged to attend.

The meeting was adjourned.
