She will look for opportunities to continue to address domestic violence and the needs of veterans, and she will focus on reproductive health equity as well as public health interventions that improve the health and well being of the whole community. She will actively seek opportunities to improve our resilience in an emergency, including through partnerships with others in the region. Commissioner Meieran will emphasize the need to enact policies that address the disparities and racial injustices disproportionately faced by people of color, along with gender discrimination and the persistent wage gap.
