Executive Summary

This program offer budgets the revenue and expenditures associated with the County's commitment to fund the Oregon Convention Center and the Visitors Development Initiative. This program operates under intergovernmental agreements (IGAs) between Multnomah County, the City of Portland, and Metro. The program accounts for proceeds of the Transient Lodging Tax and Motor Vehicle Rental Tax that are passed through to Metro for operation of the Oregon Convention Center and other tourism related entities.

Program Summary

This program accounts for a portion of taxes collected from area hotels, motels, and vehicle rental agencies. The Transient Lodging Tax has supported the Oregon Convention Center since 1986. The tax is set at 11.5% on all hotel and motel room rentals in Multnomah County. Cities retain 5% of the tax generated within their boundaries. Another 1% supports regional tourism promotion. The remaining 5.5% supports programs associated with the Oregon Convention Center, the Regional Arts & Culture Council (RACC), and the Visitors Development Board. The Motor Vehicle Rental Tax was increased by the Board of County Commissioners in April, 2000. This 2.5% increment is entirely dedicated to support the activities noted above.

This program supports the Oregon Convention Center which hosts programs, conferences, and events that bring visitors and business groups to Portland. The tourism and travel industry is among the leading private sector employers in Oregon. Large conventions generate significant activity for local hotels, restaurants, and retail establishments. Travel Portland has estimated that a typical out-of-town convention delegate will spend between \$980-\$1180 during a three-day stay in the region. A report prepared in 2016 by Crossroads Consulting Services documents the dollar impact of the visitors facilities managed by Metro. The report estimates the economic impact at just a little more than \$1 billion per year.

The Visitors Facilities Intergovernmental Agreement (VDI) was amended in FY 2014 and it established a source of funding for Multnomah County "Visitor Facilities and Operations Support". This funding supports operations and capital improvements related to the established purposes of the VDI. The VDI supports regional visitor facilities and visitor industry development in the Portland-Multnomah County area. The VDI agreement is between the City of Portland, Multnomah County, and Metro. The trust fund allocates \$750,000 annually to Multnomah County and this amount will grow to \$1 million annually beginning in FY 2022.
