## **Program Summary**

The 6th floor of the Multnomah County Detention Center (MCDC) is a housing area in this maximum security facility. The floor contains a control center and four housing modules as well as some program space. The 6A and 6D modules have 32 individual cells each while the 6B and 6C modules have 16 each. The total floor capacity for the 6th floor is 96 cells.

Working with our partners in Programs, Corrections Health and Mental health, various services are provided for the incarcerated population. Examples of services provided may include parenting classes, AA and NA and various educational programs to include GED attainment. A portion of this offer allows for inmate recreation, supervision and facility escorts.

While in the care of the Sheriff, persons incarcerated are provided medical treatment, dental services and mental health care if needed. Additionally the safety of those incarcerated is paramount to the staff. Suicide prevention procedures are reviewed and updated. The Prison Rape Elimination Act is strictly enforced, claims are investigated and prosecution is sought when violations are reported.

Funding of the 6th floor supports the role of public safety and the operations of the MCDC. In turn, funding for MCDC supports the mission of public safety working with the Multnomah County Inverness Jail (MCIJ). The Sheriff has statutory authority to release pretrial inmates in the event of a population emergency. Funding for MCDC and MCIJ aid the Sheriff in managing the incarcerated population and reduce the potential for emergency releases.
