Applicant Instructions: This application must be filled out completely and all of the materials described below must be attached. All signatures required on the back of this form must be provided when the application is submitted. Multnomah County will not review incomplete applications.

1. Attach a copy of a **site plan** of the moorage or marina where the new or relocated floating structure will be moored. The plan should show the location of the riverbank and illustrate all floating walkways, gangway-ramp(s), boat slips, or berths, and the location and type of structure proposed to be moved or built. Highlight the slip that will be filled.
2. A **photograph** of the existing structure proposed to be relocated or architectural drawings or plans of the new or expanded floating structure. Indicate overall dimensions of the floating structure (length, width, and height), describe the exterior materials, lighting, and colors, and indicate the type of floating used.
3. Fill out the section below.

Type of Floating Structure Placement:			
<input type="checkbox"/> New Placement	Moorage Name _____	Proposed Slip # _____	
<input type="checkbox"/> Relocation	From: Moorage _____ Slip # _____	To: Moorage _____ Slip # _____	
My application contains the following: <input type="checkbox"/> Site Plan <input type="checkbox"/> Building Plans <input type="checkbox"/> Photos of Existing Structure			
1) Height of Floating Structure in feet (from water level)			_____ feet
2) Type of Structure (boathouse, combo, etc.)			_____
3) Number of dwelling units in floating structure?			_____
4) Are there going to be any home occupations occurring within the dwelling?			<input type="checkbox"/> Yes <input type="checkbox"/> No

IMPORTANT NOTE:		
<p>The Fire District serving the moorage may require additional permits or approvals. Structures that are moved into moorages will need to be approved by the Fire District. Please take this form to the district along with the required information attached and have them review the application. Multnomah County will not issue applicable permits until all required approvals have been obtained.</p>
