County Measure

Measure 26-261
Five year levy: Oregon
Historical Society Library,
Museum, educational
programs.

Question: Shall County
renew 5-year history
museum, library, educational
programs levy; maintain \$.05
per \$1,000 assessed value,
oversight, beginning 2026?
This measure renews current
local option taxes.

Summary: In 2021 voters
approved a five-year local
option levy of \$.05 per \$1,000
assessed property value to
support the Oregon
Historical Society (OHS).
Renewal of this levy will
continue support to the
OHS's museum, library,
educational programs, and
fund the following without
increasing taxes:

Educational Programs;
Free admission to school
groups and Multnomah
County residents;
Preservation of important
Oregon treasures and
artifacts;
Support four County
historical societies: East
County Historical
Organization, Gresham
Historical Society, Troutdale
Historical Society, and Crown
Point Country Historical
Society;
OHS will continue to build on
its efforts to provide exhibits
and services that reflect the
diverse histories of our
region, and engage all parts
of our county.

Levy continues rate of \$.05
per \$1,000 assessed property
value, and replaces the 2021
levy. A home assessed at
\$250,000 pays \$12.50 a year.

An independent citizen
oversight committee will
review expenditures to verify
funds are used as approved
by voters. Annual audits will
be conducted and made
public.

The levy will produce an
estimated \$3.88 million for
fiscal year 2026-2027; \$4.00
million for fiscal year 2027-
2028; \$4.12 million for fiscal
year 2028-2029; \$4.24 million
for fiscal year 2029-2030; and
\$4.37 million for fiscal year
2030-2031.

The estimated cost for this
measure is an ESTIMATE
ONLY based on the best
available information
available to the county
assessor at the time of
estimate.

**Burlington Water
Measure**

Measure 26-264
Five-Year Local Option Tax
for Fire & Ambulance
Operations

Question: Shall the District
create a new five-year levy of
\$1.70 per \$1000 of assessed
value for five years beginning
2026-2027? This measure
creates new local option
taxes which may cause
property taxes to increase
more than three percent.

Summary: The taxes will be
used to meet the expenses
Burlington Water District
pays to the City of Portland
Fire Department for
emergency services (Fire and
Ambulance) and to maintain
a contingency fund for the
future increased expenses.

An estimate of the total
amount to be raised each
fiscal year is:

- \$81,961 in 2026-2027
- \$84,420 in 2027-2028
- \$86,953 in 2028-2029
- \$89,561 In 2029-2030
- \$92,248 In 2030-2031

The estimated tax cost for
this measure is an ESTIMATE
ONLY based on the best
information available from
the county assessor at the
time of the estimate and may
reflect the impact of early
payment discounts,
compression and the
collection rate. A property
with an assessed value of
\$166,000.00, the average
assessed value for the district,
will pay an estimated \$24 per
month in additional property
taxes.
